Sir:

Attached is a completed Form PTO-1449 and copies of the pertinent parts of the references cited thereon. Following are comments on any non-English-language references pursuant to Rule 98:

Kowssari spares the consumer the checkout-counter lifting work, but at an unacceptable cost. The cart's capacity is reduced, and the store is required to rebuild its checkout counters. Another attempt at reducing checkout-counter labor appears in Flier. His vibrating slide returns merchandise to the side-wall-dropped cart, a costly solution. The cart's usual knee-level merchandise floor remains unimproved here. The smallest of cart capacities appears in Kitagawa.

Very respectfully,

Applicant(s):
